Hi Mary,

Brittany sent me a list of questions that ECRCO plans on asking a representative from HDOA. My initial reaction was that they're seeking a lot of information, and I recommended that they either give HDOA the questions well in advance, or allow HDOA to provide written responses first and then have a follow-up conversation. At the same time, this isn't intended to cover all the questions that we could ask HDOA. Just a preliminary set of questions to get info that will assist with informal resolution discussions.

Anyway, I thought you might want to take a look. If you're too swamped let me know and I'll send my comments to Julia for review.

Thanks!
